

Acronyms

DoHS (WV Department of Human Resources)

BCSE - Bureau for Child Support Enforcement: When the relationship between a child's parents ends, it does not mean that either parent's responsibility for that child ends. Both parents remain financially, legally, and emotionally obligated to a child. The Bureau for Child Support Enforcement (BCSE) helps the person caring for a child collect child support from the child's other parent(s). The BCSE also helps divorced individuals collect spousal support.

BFA - Bureau for Family Assistance: The Bureau for Family Assistance replaces the former Bureau for Children and Families and is responsible for the operation of a number of programs that affect families and children including early childhood services and the fostering and adoption of WV children. .

BSS - Bureau for Social Services: Newly formed in 2021, the Bureau for Social Services is responsible for the operation of a number of programs that affect children and families in WV.

BPH - Bureau for Public Health: The mission of the Bureau for Public Health is to help shape the environments within which West Virginians in their communities can be safe and healthy. The Bureau embraces the values of community, science and evidence-based decision making, health equity, prevention and wellness, and the protection and improvement of the health of all West Virginians.

BMS - Bureau for Medical Services: The Bureau for Medical Services (BMS) is the designated single state agency responsible for the administration of the State's Medicaid program. BMS provides access to appropriate health care for Medicaid-eligible individuals.

BBH - Bureau for Behavioral Health: The Bureau ensures that positive meaningful opportunities are available for people with mental illness, substance abuse, intellectual and developmental disabilities and those at risk. We provide support for individuals, families, and communities in assisting persons to achieve their potential and to gain greater control over the direction of their future.
