

The **West Virginia Prevention First Alliance** is a network of organizations that promote substance use prevention recovery and education. Prevention is an integral part of the continuum of care and is a critical component of any thriving community. Prevention Lead Organizations are a part of the Prevention First Alliance and are located in six regions throughout the state. These leads have extensive training and experience related to prevention, and coordinate efforts among county coalitions and other specialists. Contact the regional Prevention Lead Organization in your area to coordinate efforts.

## Prevention Lead Organizations

### REGION 1

*Brooke, Hancock, Marshall, Ohio, Wetzel*

# West Virginia RESOURCES

Two websites have been developed to promote the resources, services, events and trainings in our state related to substance use prevention:

HelpandHopeWV.org

**Help & Hope WV** connects people to information, tools, directory of services, calendar of trainings, and events across the state.

StigmaFreeWV.org

**StigmaFree WV** provides information about the types of stigma experienced by individuals with substance use disorder, stories of recovery, and how people can get involved.

*Funded with federal Substance Abuse and Mental Health Services Administration (SAMHSA) funds administered through the West Virginia Department of Human Services, Bureau for Behavioral Health.*
